

Lassonde Institute Hours With Experts Lawyer Limited Legal Representation Program Agreement

STUDENT FORM - READ CAREFULLY

Lassonde Institute Hours With Experts is a program sponsored by the Lassonde Institute. As part of this program, Lassonde Institute has also implemented an Hours With Experts Lawyer Limited Representation Program ("Program"). This program will allow you as a student entrepreneur to be temporarily represented by a volunteer lawyer on a limited representation basis in consultation regarding your entrepreneurial plan, product, service, or idea ("Project"). The Program is designed to provide you with preliminary counseling and legal information applicable to your Project, and is limited exclusively to the meeting you will have with the volunteer lawyer assigned to meet with you in the Hours With Experts Program. By accepting the terms of this agreement, you consent to and acknowledge that any legal representation by a volunteer lawyer in connection with the Program is on a limited representation basis.

The program does not create an ongoing attorney-client relationship between you and the volunteer attorney who assists you beyond your meeting through the Hours With Experts program, nor is it intended to assist you with any other legal matters you may have that are not the subject of the Hours With Experts meeting.

It is possible that certain volunteer lawyers may have clients that are adverse or may conflict with your interests. If you have any questions regarding the confidentiality of your discussions or any potential conflicts of interest, you should discuss these concerns with the volunteer attorney.

The volunteer attorneys who participate in the Program come from various law offices and have various types of practice. Therefore, your volunteer attorney may or may not be experienced in the area of your need. The volunteer attorney will attempt to provide you as much guidance as is feasible in light of the information you provide the attorney about your case based on the volunteer attorney's experience and knowledge of the law regarding the information you provide. The attorney is participating on an individual volunteer basis, and not as a representative or agent of his/her law office. The volunteer lawyers are not affiliated with the Lassonde Institute or the University of Utah and are being hosted by the Lassonde Institute strictly on a volunteer basis.

You acknowledge that you have read and understand the information above. You consent and agree to the limited representation by a volunteer attorney from the Program as set forth above.
