- **Friday, January 20, 2017:** Top 10 judging event. - Judging in Lassonde Studios Conference room. Awards in center area. 8:00 AM – 11:00 AM presentations. Lunch after in Cafe

## Opportunity Quest Background

Opportunity Quest is an executive summary competition open to all students within the University of Utah. The competition fosters and promotes business growth at the college and university level by giving students a chance to organize, direct, and present a business idea to a panel of judges. Opportunity Quest provides teams with an educational forum to prepare them for the competition and aid them in the creation and implementation of their business plan.

A cash prize of $5,000 will be awarded to the team judged to have presented the most plausible and promising business executive summary. The first-place team is also automatically entered as a finalist in the Utah Entrepreneur Challenge. Secondary prizes will also be awarded including cash prizes of $3,000 and $2,000 for 2nd and 3rd place teams respectively, along with a $500 prize for Best Video.

Opportunity Quest is directed by student associates. The chair is advised by the staff of the Lassonde Entrepreneur Institute. The student director manages the day to day operations of the program. The Opportunity Quest competition is designed to further enhance the entrepreneurial desire of students. This tremendous undertaking has been made possible by generous support from sponsors, mentors, judges, and faculty members of the University of Utah.
Eligibility

Each participating team must be organized and have an active leadership role by a student at the University of Utah who is enrolled in at least nine credit hours during the Fall semester of the competition (student standing will be verified by Opportunity Quest staff). There are no restrictions regarding other team members and may include students, faculty, family, or professionals and do not need to be residents of Utah.

Additionally:

• Teams may present more than one executive summary; however, each submission must be registered separately.
• The business is no more than 24 months old as of August of 2016.
• The business cannot have generated revenues in excess of $100,000.

**Rules and exceptions to rules are up to the discretion of the Lassonde Entrepreneur Institute Staff.

The Competition Process

Round I: Executive Summary
This phase is open to all University of Utah students with a deadline of Thursday, December 1, 2016. Begin by registering your team online at lassonde.utah.edu/oq. Teams must prepare an Executive Summary addressing fundamental issues of interest to potential investors. It should highlight the most important and interesting elements of the business that lead a potential investor to understand why your venture will succeed. For more specific information about the Executive Summary refer to the “Executive Summary” section below. Ten finalist teams will be selected to proceed to Round II based on their Executive Summaries and will be announced on Wednesday, December 14, 2016.

Mentors Workshop
The top ten finalist will be invited to attend and participate in a Mentors Workshop. The workshop will consist of a presentation of the team's business idea to the panel of mentors. After which each team will be assigned an individual mentor who will be able to advise them in their preparation for the final round of judging and for their business as a whole. The mentors are selected from the same pool of community professionals as the judges but will not participate in any of the judging rounds. More information will be
provided to the top ten finalists when selected. The Mentors Workshop will take place on the evening of Tuesday, January 17 and Wednesday, January 18, 2017 at Lassonde Studios.

**Round II: Video Submission and Final Presentation**

Each of the ten finalist teams will be required to submit a two minute video describing their business, and then pitch their businesses to a panel of judges. Video submissions will be due from the Top 10 on Friday, January 13, 2017 at 11:59 PM, and PowerPoint submissions will be due from the Top 10 on Wednesday, January 18, 2017 at 11:59 PM. Since the presentation time is limited to 10 minutes with 7 minutes of Q&A, the presentation must be well-organized and emphasize only the most important features of the business. For more specific information about the Final Presentation refer to the “Final Presentation” section. The Final Presentation and the announcement of the prizes will be announced at the annual Opportunity Quest Awards event on Friday, January 20, 2017. Presentations will take place from 8:00 AM to approximately 11:00 AM followed by lunch and announcement of the winner.

**Executive Summary**

The executive summary is a brief document that outlines the fundamentals of business i.e. product, market, customers, competitors etc. The purpose of the document is to convince the reader that the business is viable. The most interesting and important aspects of the business, as well as the student involvement should be highlighted and explained. The executive summary should be no longer than three pages (not including cover page). The document must have one-inch margins and a 12-point font size. All pages, except the cover page, should be numbered. Compressed type is not permitted. Executive Summary must be submitted on Thursday, December 1, 2016 at 11:59 PM.

The following areas may be included in an effective executive summary:

**Cover Page**
Include company name, contact information and the names of all the members of the student team.

**Company Overview**
The company overview should briefly describe:
- Product or service the business will provide
- Market need (pain point)
- Target customers
- General business strategy (how the company will sell the product or service
and generate revenue)

Market Description
The market description should briefly describe:
• The market need that the product or service solves
• The target customer
• Market size
• Market growth rates and drivers
• Barriers to entry
• Competitors (other companies and their strengths and weaknesses)
• Competitive advantage(s)

Product or Service
The product or service section should include:
• Description of the product or service
• Stage of development that the product is in
• Competitive advantages and market differentiation
• Price and costs
• Intellectual property (if any) or other protection required

Sales and Marketing Strategy
The sales and marketing strategy section should very specifically describe:
• Distribution channels (online, personal sales force, brick and mortar store, resellers)
• Customer acquisition strategy
• Marketing strategy and plans
• Key partners or other relationships

Video
Once accepted to the Top 10, your two minute video will give you an opportunity to set your idea apart. Videos should be persuasive and help judges understand your idea. They should also explain your executive summary. Besides the time constraint of 2 minutes, there are no set criteria for your video. Teams should decide what ideas they feel are most applicable for judges to know. Videos from the Top 10 must be submitted on Friday, January 13, 2017 at 11:59 PM.

*VIDEOS LONGER THAN 2 MINUTES MAY NOT BE JUDGED

You could use your video to:
• Give a personal “elevator pitch” for your idea.
• Show your extreme passion for your idea
• Let your creativity, your personality, and/or the ‘personality’ of your idea shine through
• Clearly demonstrate and explain the product or service

**Follow these simple guidelines when creating your video:**
• Videos **MUST** be no longer than 2 minutes in length. Videos longer than 2 minutes will not be judged, effectively eliminating your team from the competition. Don’t eliminate yourself by going 1 second over time.
• Keep it professional. No inappropriate sounds, language or images. Videos containing content deemed inappropriate by the UEC will result in disqualification

**A Note Concerning the Video Format and Size**
• The Video should be submitted to Jaron Hall ([j@jaronhall.me](mailto:j@jaronhall.me)) via email with a link to download your video (dropbox, box.com, google drive, etc.)

**Final Presentation**

Teams moving on to the final round will be asked to give a final presentation and answer questions from the panel of judges regarding their presentation and executive summary. Ten (10) minutes will be given for the presentation, with an additional seven (7) minutes allotted for the question and answer session.

Presentations should have impact and be brief. Most teams will not be able to present all of the aspects of their executive summary during the allotted time. The presentation should reinforce and augment the executive summary. Emphasize the most important features of your business in the time allotted in order to persuade the judges that your business will be successful. Each team will be responsible to provide any necessary equipment for their presentation if it is not a traditional PowerPoint presentation. PowerPoint submissions will be due from the Top 10 on **Wednesday, January 18, 2017**.

**Judging**

The judging panel may consist of venture capitalists, lawyers, accountants, entrepreneurs, and other successful and knowledgeable business leaders. Judges will not be affiliated with, or involved in the preparation or funding of, any participating team. The decision of the judge’s panel will be final and will not be subject to appeal. The overall selection of winners is based on the viability and likely success of the business.
Judging Criteria
The first round of judging is centered on the executive summary and will be based on the general aspects of an effective executive summary. Judges will be given a copy of the top 10 teams’ executive summary for the final presentation round. Teams must be ready to answer questions on both their executive summary and final presentation during the final round Q&A session.

The judges will look at the following criteria:
● Did the student drive the creation of the executive summary and are they to play an integral role in the business?
● Has the team persuaded the judges of the business’s potential success through the written plan and the verbal presentation?
● Does the potential business bring innovation and creativity to one or more business category (technology, product marketing, etc.)?

Prizes
The Grand Prize, in the amount of $5,000, will be awarded to the team with the best Final Presentation. Two runners-up will be selected and each will receive either $3,000 for 2nd place or $2,000 for 3rd. There will be a $500 prize for the best video. The Prizes will be awarded in cash value during the final award luncheon.

No Confidentiality Agreement
As a competitor, you are responsible to protect any information concerning your business that you share with advisors, team members, and fellow participants of the competition. The Lassonde Institute takes no responsibility for unwanted disclosure in these instances.

Contestants should be careful about disclosing information concerning proprietary concepts. Competitors concerned about the protection of intellectual property may contact the University of Utah Technology Transfer Office or look up answers to technology protection questions on the Technology Commercialization Office website at www.tvc.utah.edu.
